*lie with mankind, as with womankind: it is abomination.” “If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death” (Leviticus 18:22; 20:13). The annihilation of the cities of Sodom and Gomorrah was because they were given over to this sin (Genesis 19). This is where the term “sodomy” comes from today!*

The medical profession attempts to cover up this abomination by calling it a natural desire, but it will not change the Truth of God nor lessen the punishment of the guilty who practice this diabolic sin.

God’s universal standard of morality says homosexuals are unrighteous and shall not enter heaven. *“Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God” (1 Corinthians 6:9-10). The phrase “**abusers of themselves with mankind**” means “one who lies with a male as with a female, a sodomite” (Thayer’s pg. 75).*

If a person could not help himself/herself in practicing homo sexuality, then they could not be accountable for that over which they have no control.

---

But, such a person does have control and is therefore accountable for his sinful action.

## What Does The Bible Teach About: Homosexuality?

## What Does The Bible Teach About Homosexuality?

---

The Bible is VERY CLEAR on the subject in spite of those who deny it! It points out plainly that it one of the most vile perversions and grossest sins that man has ever conceived. Two whole cities (Sodom and Gomorrah) and many smaller villages were annihilated from the face of the earth because of this grievous sin (Genesis 18-19)! How dare people today say it is an "alternate life style."

This terrible sin is becoming more and more accepted as perverters of holiness and truth demand "gay rights" (There's nothing "gay" about it). Such deviate behavior is an outrage to human kind! But they say it is "natural" and "normal" and they cannot "help it." They better help it and repent of it before it's too late (2 Corinthians 5:10-11). Here's why . . .

It has been condemned from the beginning. *"Thou shalt not lie with mankind as with womankind; it is an abomination."* *"If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall be put to death; their blood shall be upon them"* (Leviticus 18:22; 20:13). The nations of Canaan were cast out of their land because of this terrible sin (Leviticus 18:24-30)!

---

In the beginning, God created Adam and Eve, not Adam and Steve! But men and women have perverted God's way. In Romans 1:26-27 and 32 we read: *"For this cause God gave them up unto vile affections: for even their women did change the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompense of their error which was meet...Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them."* Being a homosexual is not normal or natural. It is not a sickness. It is a SIN!

There is HOPE for such people as there is for any and all who will REPENT of their sins (Acts 2:38; 17:30). Repentance means to change the mind which leads to a change of action/life. One can no longer live in wickedness! **STOP THE SIN!** All sinners must come to God in faithful obedience by CONFESSING that Jesus is the Son of God (Romans 10:9-10; Matthew 10:32-33) and being BAPTIZED in water for the forgiveness of sins (Romans 6:3-6; Mark 16:16). This will make

them a "child of God" (Galatians 3:26-27). A Christian must then live a faithful life unto God, walking in the Light of God's Word (1 John 1:7).

### Can The Medical Profession Prove That Homosexuals Are Born That Way?

NO, they cannot! Homosexuality is a trait (sin) that is learned, taught and acquired. The truth is, *"for even their women did change the natural use into that which is against nature: and likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly..."* (Romans 1:26-27). Notice the words "change," "against nature," "leaving the natural use," "their lust." The natural, inherited, born instinct is for one man to have one woman for life. From the beginning, the divine arrangement has never been any other way (Matthew 19:4-9)!

It is a gross perversion of divine and natural law for a man to have sexual relations with a man and a woman to have sexual relations with a woman. Such conduct was a capital offense under the Law of Moses! *"Thou shalt not*
